- Seizures totaling 3,041 grams of marijuana with an estimated street value of \$60,834.00.

Finances

The Guam Customs and Quarantine Agency (CQA) generates its revenues through the collection of fees. These fees are intended to recover the costs of services for customs operations mandated by local and federal laws.

The CQA Passenger Inspection Fee applies to air passengers arriving at the Antonio B. Won Pat International Air Terminal. The fee is part of each passenger's airline ticket collected by the Guam International Airport Authority and deposited into the Government of Guam's Customs Inspection Fund.

The CQA Cargo Inspection Service Fees applies to all shipments imported into Guam at the Integrated Air Cargo Facility and the Commercial Port. These fees are collected daily and likewise deposited into the Government of Guam's Customs Inspection Fund.

CQA And Your Community

CQA participates in community outreach programs to help assist individuals and entities as part of its community involvement efforts. For FY 2014, CQA was involved in the following:

- CQA participated in the 2014 Annual Relay for Life Event, which was held at the George Washington High School Field.
- In August, 2014, CQA and its adopted school, Agana Heights Elementary School, cooperated in the work involved with the repainting, water blasting, and preparation of classrooms in anticipation of the starting school year and the return of students.
- CQA participated in the 2014 Annual Law Week sponsored by the Judiciary of Guam. Officers from the CQA Detector Dog Unit conducted an exhibition and demonstration utilizing Narcotic Detector Dogs and Agriculture Detector Dogs during the week.
- The CQA Drug Detector Dog Unit participated in numerous community outreach programs which involve demonstrations conducted at Guam public schools as an educational effort to promote anti-drug awareness with students at all grade levels throughout the island.
- CQA participated in the 2014 Red Ribbon Week.
- CQA participated in the National Crimes Victims Week.

Other CQA Accomplishments

- In January of 2014, CQA graduated twenty (20) trainees, 10th Cycle CQA Training Academy, to the positions of Customs Officer I. The increase in manpower will help with the agency operations.
- In May of 2014, with the assistance of Senator Brant McCreadie, Senator V. Anthony Ada, and Senator Thomas A. Morrison, the "Methamphetamine Incarceration Reform Act of 2014" was introduced and passed by the Guam Legislature. The act imposes harsher penalties relative to punishment for the delivery, dispensing, manufacturing, and importation of controlled substances into Guam.
- In April of 2014, CQA installed and began operating a Stationary Air Freight X-Ray Scanner System at the Air Cargo Section. The acquisition of this new machine will enhance our inspection capabilities, contraband interdiction efforts, agriculture protection capabilities, facilitation of commerce, customer service and overall strengthen our border protection mandates entrusted to the Agency.
- In June of 2014, CQA received and began operating a state of the art, self-contained, mobile X-ray van. With its innovative design and ability to rapidly deploy at any location, baggage and parcel inspections with one complete unit is now possible. The X-ray van is deployed for use at the airport tarmac environment, dockside at the Commercial Port of Guam, freight forwarders warehouses, or importers addresses selected for container examinations.
- Clothing Allowance for CQA Personnel.
- Purchasing of new firearms.
- Purchasing of ammunition.
